

WE COVER YOUR GEAR **ATV COVER FIT CHART**

To determine which cover best fits your ATV or UTV, use the charts below.

Model	Size
Large	75" L x 45" W x 35" H
X-Large	85" L x 48" W x 40" H
XX-Large	95" L x 48" W x 48" H

UTV COVER FIT CHART

Model	Size
UTV's with roll cage	up to 120" L

Notes:

- L- Refers to the overall length measurement
- W- Refers to the overall width measurement
- H- Refers to the overall height measurement

Generally, the cover should be a few inches shorter than the full height of the ATV to keep the cover off the ground.
