

Instructions: UTV Roll Cage Top

⚠️ WARNING

Make sure your field of view is not obscured after attaching your Roll Cage Top to your UTV roll cage.

⚠️ CAUTION

Be sure your Roll Cage Top is strapped securely and tightly to your UTV roll cage.

INSTALLATION

Unfold your Top and locate the enclosed adhesive backed rip-and-grip strips. Set these aside.

Find the white tag on the underside of your Top indicating what side faces the front. Also note that there are rip-and-grip sections at all four corners.

Lay your Top over the roll cage of your UTV and loosely fasten the straps at each corner to the roll cage bars.

On the underside of your Top, there are two tension panels with straps. These keep the Top tight to the roll cage. Locate the straps and connect the side-release buckles. Make sure that the tension panels go OUTSIDE and AROUND the side bars of your roll cage. Tighten both straps.

Fold any extra length of strap into a three or four inch section and insert into the strapkeeper on each strap.

At each corner of the Top, pull down and fasten the straps tightly.

Take the enclosed adhesive backed rip-and-grip strips and working at each corner, unfasten the strap and note where the rip-and-grip panel on the underside of your top comes in contact with the roll cage bar. Peel the back off a rip-and-grip strip and attach it to the roll cage bar about one inch lower on the roll cage. This will provide space for you to pull your Top tight on the roll cage.

Match up the rip-and-grip strips on the Top to the roll cage, pulling the corner of the Top down tight and reattach the web strap tightly. Repeat with the other three corners.

CLEANING

Clean your Roll Cage Top with a soft brush and warm water. DO NOT USE SOAP as it can damage the protective coatings on the fabric. Air dry.

STORAGE

To avoid mildew be sure that your Roll Cage Top is completely dry before you store it for an extended period in an enclosed area.

WARRANTY

Your Roll Cage Top is factory warranted for workmanship and materials for two years after purchase.
